Dear Horseback Riding Camp participant:

Thank you for registering for Horseback Riding Camp beginning Monday with the Mentor Recreation Department and Maypine Farms.

Maypine Farm's horseback riding camp is more than a camp: it is a comprehensive approach to horsemanship even if you have never ridden before. We teach both riding and horse care skills in a fun farm environment. You will train daily with the area's finest instructors and each day will bring a new adventure. The morning will start with a mounted lesson on your horse. This is followed by a relaxing trail ride in the hunt field. After that, there is the joy of learning about our big friends from the ground. Riders will learn about all aspects of horsemanship: from basic and show grooming, to feeding and vet care, to how horses get their shoes on.

We have horse decorating contests, grooming contests, games on horseback and the highlight is the Thursday night sleep over (optional).

Summer camp is Monday-Friday from 9:00 am-3:00 pm. Before-and-after camp supervision service is available and can be arranged by calling Maypine Farms directly at (440) 944-3652.

Maypine Farms is located at 32700 White Rd. in Willoughby Hills, Ohio.

See you at camp!
